What Is Life Line?
Lifeline is a state and federal program that provides discounts to eligible low-income consumers to help ensure they have the opportunities and security that telephone and broadband services afford.

Federal Lifeline offers a discount of up to $9.25 per month apply on a qualifying voice and/or broadband service. An additional state discount of $3.50 applies for those subscribers who qualify for lifeline using a voice service. Only one discount may be applied per household.

All of our voice services include unlimited local calling and subscribers may select the long distance calling plan of their choice. While we offer a qualifying broadband product throughout our service area, not all broadband services may qualify for lifeline.
